# ABOUT US

---

We are a young team of Professionals having exposure of both Corporate Culture and SME Culture. As the world is converging into a single global entity, technology is blurring the lines between geographies, services and solutions. In this era of a flat, borderless world, ALP is committed to go beyond service into value addition in the true sense of the word. We are here to understand not just what our clients want, but what their business needs; to meet not just immediate requirements, but to provide long term solutions; to be not just reactive to client needs but to be proactive to solve their future issues.
